What do we need from you?

A hi-res vector artwork of the print you need. That's about it.

How does the print stuff work?

Once you've placed the order, we'll share a digital render. We go into production only after you've signed off on it.

Payment terms?

100% advance.

Can we send a free sample?

Unfortunately, no. Our tees and hoodies are available on our online store. Feel free to try them and see what you like best.

Why March Tee?

Coz it's no ordinary tee. We don't cut corners with polyester, generic cuts and shoddy finishing. Try a March Tee and see for yourself. Full refund if you don't love it.
